### NEW PRODUCTS

**everescents**  
organic hair care

**100% Australian owned & made**

This range is 100% Australian owned and made (even the bottles & labels) and uses plant based ingredients that are **certified organic**. There are no harsh chemicals or detergents and no artificial colours, fragrances or preservatives.

The range consists of Organic shampoos, conditioners, treatment & styling products and is distributed exclusively through hairdressing salons and day spas throughout Australia.
